Our **Sexual Exploitation Support Service** provides advice, advocacy, information and support services to individuals in Gwent, who are currently, or are at risk of, experiencing sexual exploitation. This service is offered through outreach, home visits, community visits, and is flexible to meet individuals' needs and circumstances.

Our **Community Outreach Service** aims to offer and provide support to those who may not necessarily access mainstream services, as well as to those who may be experiencing homelessness. Our outreach team will support individuals being sexually exploited regardless of their environment/location.

We provide support and advice on a range of **practical** and **emotional** issues that individuals may identify as needs, including:

- Personal Safety
- Housing/Homelessness
- Sexual health needs
- Physical health needs
- Court and legal issues
- Education & Employment
- Grooming
- Mental health
- Substance use
- Eating disorders
- Self-harm
- Family relationships

**If you or someone you know may be experiencing sexual exploitation, contact us for support.**
